**MANAGEMENT INFORMATION CIRCULAR**

As at January 20, 2026  
(unless otherwise stated)

**SOLICITATION OF PROXIES**

**This management information circular (“Circular”) is provided in connection with the solicitation of proxies by management of NOA Lithium Brines Inc. (the “Company”) for use at an annual general and special meeting (the “Meeting”) of the holders (“Shareholders”) of common shares (“Common Shares”) in the capital of the Company.** The Meeting will be held on February 26, 2026 at 10:00 a.m. (Calgary Time) at Suite 1250, 639 – 5th Avenue S.W., Calgary, Alberta, Canada T2P 0M9 or at such other time or place to which the Meeting may be adjourned, for the purposes set forth in the notice of annual general and special meeting accompanying this Circular (the “Notice”).

Although it is expected that the solicitation of proxies will be primarily by mail, proxies may also be solicited personally or by telephone or other permitted means of electronic communication. In accordance with National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“NI 54-101”), arrangements have been made with brokerage houses and other intermediaries, clearing agencies, custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of the Common Shares held of record by such persons and the Company may reimburse such persons for reasonable fees and disbursements incurred by them in doing so. The costs thereof will be borne by the Company.

These securityholder materials are being sent to both registered and non-registered owners of Common Shares. If you are a non-registered owner of Common Shares, and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of Common Shares have been obtained in accordance with applicable securities regulatory requirements from the intermediary (“**Intermediary**”) holding Common Shares on your behalf.

Accompanying this Circular (and filed with applicable securities regulatory authorities) is a form of proxy for use at the Meeting (a “**Proxy**”). Each Shareholder who is entitled to attend at meetings of Shareholders is encouraged to participate in the Meeting and all Shareholders are urged to vote on matters to be considered in person or by proxy.

All time references in this Circular are references to Calgary, Alberta, Canada time.

**APPOINTMENT AND REVOCATION OF PROXIES**

**Appointment of a Proxy**

**Those Shareholders who wish to be represented at the Meeting by proxy must complete and deliver a proper Proxy to TSX Trust Company (the “Transfer Agent”), at Suite 301, 100 – Adelaide Street West, Toronto, Ontario M5H 4H1.**

The persons named as proxyholders in the Proxy accompanying this Circular are directors or officers of the Company, or persons designated by management of the Company, and are representatives of the Company’s management for the Meeting. A Shareholder who wishes to appoint some other person (who need not be a Shareholder) to attend and act for him, her or it and on his, her or its behalf at the Meeting other than the management nominee designated in the Proxy may do so by either: (i) crossing out the names of the management nominees AND legibly printing the other person’s name in the blank space provided in the accompanying Proxy; or (ii) completing another valid form of proxy. In either case, the completed form of proxy must be delivered to the Transfer Agent, at the place and within the time specified herein for the deposit of proxies. A Shareholder who appoints a proxy who is someone other than the management representatives named in the Proxy should notify such alternative nominee of the appointment, obtain the nominee’s consent to act as proxy, and provide instructions on how the Common Shares are to be voted. The nominee should bring personal identification to the Meeting. In any case, the Proxy should be dated and executed by the Shareholder or an attorney authorized in writing, with proof of such authorization attached (where an attorney executed the Proxy).

In order to validly appoint a proxy, Proxies must be received by the Transfer Agent, at Suite 301, 100 – Adelaide Street West, Toronto, Ontario M5H 4H1, at least 48 hours, excluding Saturdays, Sundays and holidays, prior to the Meeting or any adjournment or postponement thereof. After such time, the chairman of the Meeting may accept or reject a Proxy delivered to him in his discretion but is under no obligation to accept or reject any particular late Proxy.

**Revoking a Proxy**

A registered shareholder who has returned a proxy may revoke it at any time before it has been exercised. A Shareholder who has validly given a proxy may revoke it for any matter upon which a vote has not already been cast by the proxyholder appointed therein. In addition to revocation in any other manner permitted by law, a proxy may be revoked with an instrument in writing signed and delivered to either the registered office of the Company or the Transfer Agent at Suite 301, 100 – Adelaide Street West, Toronto,

Ontario M5H 4H1, at any time up to and including the last business day preceding the date of the Meeting, or any postponement or adjournment thereof at which the proxy is to be used, or deposited with the chairman of such Meeting on the day of the Meeting, or any postponement or adjournment thereof. The document used to revoke a proxy must be in writing and completed and signed by the Shareholder or his or her attorney authorized in writing or, if the Shareholder is a corporation, under its corporate seal or by an officer or attorney thereof duly authorized.

Also, a Shareholder who has given a proxy may attend the Meeting in person (or where the Shareholder is a corporation, its authorized representative may attend), revoke the proxy (by indicating such intention to the chairman before the proxy is exercised) and vote in person (or withhold from voting).

Only registered shareholders have the right to revoke a proxy. Non-registered shareholders who wish to change their vote must, at least seven days before the Meeting, arrange for their Intermediary to revoke the proxy on their behalf. Intermediaries may have different rules and procedures relating to proxy instructions and non-registered shareholders should contact their Intermediary for additional information.

#### **Signature on Proxies**

The Proxy must be executed by the Shareholder or his or her duly appointed attorney authorized in writing or, if the Shareholder is a corporation, by a duly authorized officer whose title must be indicated. A Proxy signed by a person acting as attorney or in some other representative capacity should indicate that person's capacity (following his or her signature) and should be accompanied by the appropriate instrument evidencing qualification and authority to act (unless such instrument has been previously filed with the Company).

#### **Voting of Proxies**

Each Shareholder may instruct his, her or its proxy how to vote his, her or its Common Shares by completing the blanks on the Proxy. Only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting.

**The Common Shares represented by the enclosed Proxy will be voted or withheld from voting on any motion, by ballot or otherwise, in accordance with any indicated instructions. If a Shareholder specifies a choice with respect to any matter to be acted upon, the Common Shares will be voted accordingly. In the absence of such direction, such Common Shares will be voted FOR THE RESOLUTIONS DESCRIBED IN THE PROXY AND BELOW.** If any amendment or variation to the matters identified in the Notice is proposed at the Meeting or any adjournment or postponement thereof, or if any other matters properly come before the Meeting or any adjournment or postponement thereof, the accompanying Proxy confers discretionary authority to vote on such amendments or variations or such other matters according to the best judgment of the appointed proxyholder. Unless otherwise stated, the Common Shares represented by a valid Proxy will be voted in favour of the election of nominees set forth in this Circular except where a vacancy among such nominees occurs prior to the Meeting, in which case, such Common Shares may be voted in favour of another nominee in the proxyholder's discretion. As at the date of this Circular, management of the Company knows of no such amendments or variations or other matters to come before the Meeting.

#### **Advice to Beneficial Shareholders**

**The information set forth in this section is of significant importance to a substantial number of the Shareholders who do not hold their Common Shares in their own names.** Shareholders who do not hold their Common Shares in their own names (referred to in this Circular as "Beneficial Shareholders") should note that only proxies deposited by Shareholders whose names appear on the records of the Company as the registered holders of Common Shares can be recognized and acted upon at the Meeting. If Common Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those shares will not be registered in the Shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the name of the Shareholder's broker or an agent of that broker. In Canada, the vast majority of such Common Shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominees for many Canadian brokerage firms). Common Shares held by brokers or their nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, the broker/nominees are prohibited from voting shares for their clients. **The Company does not know for whose benefit the Common Shares registered in the name of CDS & Co. or other brokers/agents are held.** Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their Common Shares are communicated to the appropriate person well in advance of the Meeting.

Non-registered holders who have not objected to their Intermediary disclosing certain ownership information about themselves to the Company are referred to as "non-objecting beneficial owners ("NOBOs"). Those non-registered holders who have objected to their Intermediary disclosing ownership information about themselves to the Company are referred to as "objecting beneficial owners" ("OBOs").

The Company does not intend to pay for Intermediaries to deliver the Meeting materials and Form 54-101F7 – *Request for Voting Instructions Made by Intermediary* to OBOs. As a result, OBOs will not receive the Meeting materials unless their Intermediary assumes the costs of delivery.

Generally, non-registered shareholders who have not waived the right to receive Meeting materials will receive either a voting instruction form or a form of proxy. Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from

Beneficial Shareholders in advance of shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("Broadridge"). Broadridge typically provides a scannable voting instruction form in lieu of the Instrument of Proxy, mails those forms to the Beneficial Shareholders and asks Beneficial Shareholders to return the voting instruction forms to Broadridge. Alternatively, Beneficial Shareholders sometimes are provided with a toll-free telephone number or website information to deliver the Beneficial Shareholder's voting instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. **Beneficial Shareholder receiving a voting instruction form cannot use that voting instruction form to vote Common Shares directly at the Meeting as the voting instruction form must be returned as directed by Broadridge well in advance of the Meeting in order to have the Common Shares voted. Accordingly, it is strongly suggested that Beneficial Shareholders return their completed voting instruction form as directed by Broadridge well in advance of the Meeting.**

**All references to Shareholders in this Circular, the Instrument of Proxy and the Notice are to Shareholders of record unless specifically stated otherwise. Where documents are stated to be available for review or inspection, such items will be made available upon request to registered Shareholders who produce proof of their identity.**

#### NOTICE-AND-ACCESS

The Company has chosen to deliver the Meeting materials in reliance on the provisions of Notice-and-Access, which governs the delivery of proxy materials to Shareholders utilizing the internet. Notice-and-Access provisions are found in section 9.1.1 of National Instrument 51-102 – *Continuous Disclosure Obligations* ("NI 51-102") for delivery to registered Shareholders and in section 2.7.1 of National Instrument 54-101 Communication with Beneficial Owners of Securities of a Reporting Issuer ("NI 54-101") for delivery to beneficial Shareholders (together, "**Notice-and-Access Provisions**").

Notice-and-Access Provisions permit the Company to deliver the Meeting materials to Shareholders by posting them on a non-SEDAR+ website (usually the reporting issuer's website or the website of its transfer agent), provided that the conditions of NI 51-102 and NI 54-101 are met, rather than by printing and mailing the Meeting materials. This method reduces paper waste and the Company's printing and mailing costs. Under Notice-and-Access Provisions, the Company must send a Notice-and-Access notification and form of proxy or voting instruction form, as applicable (together, the "**Notice Package**") to each Shareholder, including registered and beneficial Shareholders, indicating that the Meeting materials have been posted online and explaining how a Shareholder can access such materials and how they may obtain a paper copy of the Circular from the Company.

This Circular has been posted in full, together with the Notice of Annual General and Special Meeting, the form of proxy, and the request for financial statements form, on the Corporation's website at [www.noalithium.com/agm](http://www.noalithium.com/agm) and under the Company's profile at SEDAR+ ([www.sedarplus.ca](http://www.sedarplus.ca)), the Canadian Securities Administrators' national system that all market participants use for filings and disclosure.

In addition, the Company is electronically delivering proxy-related materials to Shareholders who have requested such delivery method and encourages Shareholders to sign up for electronic delivery (e-Delivery) of future meeting materials.

#### *Individual Bankruptcies*

No director or proposed director of the Company is or has, within the ten years prior to the date hereof, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold the assets of that individual.

**Unless otherwise instructed, the proxies given pursuant to this solicitation will be voted FOR the re-appointment of Crowe MacKay LLP as auditors of the Company to hold office for the ensuing year at a remuneration to be fixed by the directors.**

### **4. Approval of New Equity Incentive Plan**

The Company previously maintained a legacy stock option plan (the “**Option Plan**”) pursuant to which Stock Options were granted to eligible directors, officers, employees and consultants of the Company.

On January 19, 2026, the board of directors of the Company approved a new equity incentive plan (the “**Equity Incentive Plan**”), which is intended to replace the Option Plan. The adoption of the Equity Incentive Plan is subject to approval by the Company’s shareholders at the Meeting and the Exchange.

For a summary of the old Option Plan and new Equity Incentive Plan, including the material terms thereof and the approval being sought, please see the applicable sections below.

#### *Former Option Plan Summary*

The Option plan was a ten percent (10%) rolling stock option plan. The Option Plan provided that the board of directors of the Company (the “**Board**”) may, from time to time and at its discretion, grant to directors, officers, employees and consultants of the Company, or any subsidiary of the Company, the option to purchase Shares. The Option Plan provides for a rolling maximum limit of ten percent (10%) of the outstanding Shares, as permitted by the Policies of the Exchange. The number of Shares reserved for any one person may not exceed five percent (5%) of the outstanding Shares. The board of directors determines the price per Common Share and the number of Common Shares that may be allotted to each director, officer, employee and consultant and all other terms and conditions of the options, subject to the rules of the Exchange. The price per Common Share set by the directors is subject to minimum pricing restrictions set by the Exchange. Options may be exercisable for up to ten (10) years from the date of grant, but the board of directors has the discretion to grant options that are exercisable for a shorter period. Options granted under the Option Plan do not require vesting provisions, although the Board may attach a vesting period or periods to individual grants as it deems appropriate. Options under the Option Plan are non-assignable and non-transferable. If prior to the exercise of an option, the holder ceases to be a director, officer, employee or consultant, the option shall be limited to the number of Shares purchasable by him immediately prior to the time of his cessation of office or employment and he shall have no right to purchase any other Shares.

The Option Plan was required to be re-approved by shareholders on an annual basis in accordance with the policies of the Exchange.

The Option Plan was last approved by shareholders on December 4, 2024.

### ***New Equity Incentive Plan***

The Board has determined that it is desirable to have further incentive awards (“**Award**”) to attract, retain and motivate employees, directors, officers and consultants of the Company (as such terms are defined in the Equity Incentive Plan). The Equity Incentive Plan or the “Plan” permits the grant of Options and RSUs and Other Share-Based Awards to eligible Participants (as defined in the Equity Incentive Plan).

The following summary of the Plan is qualified in its entirety by reference to the full text of the Equity Incentive Plan, attached as Schedule “A” to this Information Circular.

#### *Purpose*

The purpose of the Plan is to provide the Company with a share-related mechanism to attract, retain and motivate qualified directors, officers, employees and consultants to reward such of those directors, officers, employees and consultants as may be granted Awards under the Plan by the Board from time to time for their contributions toward the long term goals and success of the Company and to enable and encourage such directors, officers, employees and consultants to acquire Shares as long term investments and proprietary interests in the Company.

#### *Types of Awards*

The Plan provides for the grant of Awards which may be denominated or settled in Shares, cash or in such other forms as provided for in the Plan. All Awards will be evidenced by an agreement or other instrument or document (“**Award Agreement**”).

#### *Plan Administration*

The Plan will be administered by the Board, which may delegate its authority to any duly authorized committee of the Board (the “**Plan Administrator**”). The Plan Administrator has sole and complete authority, in its discretion, to:

- (a) determine the Participants to whom grants of Awards under the Plan may be made;
- (b) make grants of Awards under the Plan, whether relating to the issuance of Shares or otherwise (including any combination of Options and RSUs, or Other Share-Based Awards), in such amounts, to such Participants and, subject to the provisions of the Plan, on such terms and conditions as it determines, including, without limitation:
  - a. the time or times at which Awards may be granted;
  - b. the Company under which: (A) Awards may be granted to Participants; or (B) Awards may be forfeited to the Corporation;
  - c. the number of Shares to be covered by any Award;
  - d. the price, if any, to be paid by a Participant in connection with the purchase of Shares covered by any Awards;
  - e. whether restrictions or limitations are to be imposed on the Common Shares issuable pursuant to grants of any Award, and the nature of such restrictions or limitations, if any; and

- (c) establish the form or forms of Award Agreements;
- (d) cancel, amend, adjust or otherwise change any Award under such circumstances as the Plan Administrator may consider appropriate in accordance with the provisions of the Plan;
- (e) construe and interpret the Plan and all Award Agreements;
- (f) adopt, amend, prescribe and rescind administrative guidelines and other rules and regulations relating to the Plan, including rules and regulations relating to sub-plans established for the purpose of satisfying applicable foreign laws or for qualifying for favorable tax treatment under applicable foreign laws; and
- (g) make all other determinations and take all other actions necessary or advisable for the implementation and administration

of the Plan.

#### *Common Shares Available for Awards*

The Plan is a “rolling up to 10% and fixed up to 10%” Security Based Compensation Plan (or a ‘hybrid plan’), as defined in Policy 4.4 - Security Based Compensation of the Exchange. The Plan is a: (a) “rolling” plan pursuant to which the number of Shares that are issuable pursuant to the exercise of Options (including the existing Options) granted under the Plan shall not exceed 10% of the issued and outstanding Shares as at the date of any Option grant; and (b) “fixed” plan under which the number of Shares that are issuable pursuant to all Awards other than Options granted under the Plan and under any other security based compensation arrangement, in aggregate is a maximum of 25,731,845 Shares, in each case, subject to adjustment as provided in the Plan and any subsequent amendment to the Plan.

The aggregate number of Shares: (a) issued to any one consultant within any one-year period, under all of the Company’s security based compensation arrangements, may not exceed 2% of the Company’s total issued and outstanding Shares; (b) issued to any one individual within any one-year period, under all of the Company’s security based compensation arrangements may not exceed 5% of the Company’s total issued and outstanding Shares, unless disinterested shareholder approval has been obtained; (c) issued to persons employed to provide investor relations services within any one-year period, under all of the Company’s security based compensation arrangements, may not exceed 2% of the Company’s total issued and outstanding Shares; (d) issuable to Insiders (as defined in the Plan) at any time under all of the Company’s security based compensation arrangements may not exceed 10% of the Company’s total issued and outstanding Shares, unless disinterested shareholder approval has been obtained; and (e) issued to insiders within any one-year period, under all of the Company’s security based compensation arrangements may not exceed 10% of the Company’s total issued and outstanding Shares, unless disinterested shareholder approval has been obtained.

#### *Blackout Period*

In the event that the Award Date (as defined in the Plan) occurs, or an Award expires, during a Black-Out Period (as defined herein), the effective Award Date for such Award, or expiry of such Award, as the case may be, will be no later than 10 business days after the last day of the Black-Out Period, and the Market Price (as defined in the Plan) with respect to the grant of such Award shall be calculated based on the VWAP (as defined in the Plan) of the five business days after the last day of the Black-Out Period. For the purposes hereof, a “Black-Out Period” means that period during which a trading black-out period is imposed by the Company to restrict trades in the Company’s securities by a Participant.

#### *Description of Awards*

Subject to the provisions of the Plan and such other terms and conditions as the Plan Administrator may prescribe, including with respect to performance and vesting conditions, the Plan Administrator may, from time to time, grant the following types of Awards to any Participant.

#### *Options*

An Option entitles a holder thereof to purchase a Common Share at an exercise price set at the time of the grant, such price must in all cases be not less than the Market Price on the relevant date. Each Option will expire on the expiry date specified in the Award Agreement (which shall not be later than the 10th anniversary of the date of grant) or, if not so specified, means the 10th anniversary of the date of grant.

A Participant (as defined in the Plan) or the Personal Representative of the Participant may elect to exercise such Options on a cashless basis, which means the exercise of an Option where the Company has an arrangement with a brokerage firm pursuant to which the brokerage firm will loan money to the Participant to purchase the Common Shares underlying the Option and then the brokerage firm sells a sufficient number of Shares to cover the exercise price of the Option in order to repay the loan made to the Participant and receives an equivalent number of Shares from the exercise of the Options as were sold to cover the loan and the Participant then receives the balance of the Common Shares or the cash proceeds from the balance of the Common Shares.

Other than a person conducting investor relations activities, a Participant or the Personal Representative of the Participant may elect to exercise an Option without payment of the aggregate exercise price of the Common Shares to be purchased pursuant to the exercise of the Option (a “Net Exercise”) by delivering a net exercise notice to the Plan Administrator. Upon receipt by the Plan Administrator of a net exercise notice from a Participant or Personal Representative of a Participant, the Company shall calculate and issue to such Participant or Personal Representative of such Participant that number of Shares as is determined by application of the following formula:

$$X = [Y(A-B)] / A$$

Where:

X = the number of Common Shares to be issued to the Participant upon the Net Exercise

Y = the number of Common Shares underlying the Options being exercised

A = the VWAP as at the date of the net exercise notice, if such VWAP is greater than the exercise price

B = the exercise price of the Options being exercised

#### *Restricted Share Units*

A restricted share unit (“**RSU**”) is a unit equivalent in value to a Common Share that does not vest until after a specified period, or satisfaction of other vesting conditions as determined by the Plan Administrator. The number of RSUs (including fractional RSUs) granted at any particular time will be calculated by dividing (a) the amount of any compensation that is to be paid in RSUs, as determined by the Plan Administrator, by (b) the Market Price of a Common Share on the relevant date.

The Plan Administrator will have the sole authority to determine the settlement terms applicable to the grant of RSUs. Subject to the terms of the Plan, and except as otherwise provided in an Award Agreement, on the settlement date for any RSU, the Participant will redeem each vested RSU for a Common Share, a cash payment, or a combination thereof.

Unless otherwise determined by the Plan Administrator and set forth in the particular Award Agreement, RSUs will be credited with dividend equivalents in the form of additional RSUs as of each dividend payment date in respect of which normal cash dividends are paid on Shares. Dividend equivalents will vest in proportion to the RSUs to which they relate and will be settled in the same manner as the RSUs.

#### *Other Share-Based Awards*

Each other share-based award (“**Other Share-Based Award**”) shall consist of a right (a) which is other than an Award or right described above, and (b) which is denominated or payable in, valued in whole or in part by reference to, or otherwise based on or related to, Shares (including, without limitation, securities convertible into Shares) as are deemed by the Plan Administrator to be consistent with the purposes of the Plan; provided, however, that such right will comply with applicable law. Subject to the terms of the Plan and any applicable Award Agreement, the Plan Administrator will determine the terms and conditions of Other Share-Based Awards.

#### *Effect of Termination on Awards*

The following table describes the impact of certain events upon the Participants under the Plan, including termination for cause, resignation, termination without cause, disability, death or retirement, subject, in each case, to the terms of a Participant’s employment agreement, Award Agreement or other written agreement:

Event Provisions	Provisions
Termination for cause	Forfeiture of any unexercised Option or other Award.
Resignation	Forfeiture of any unexercised Option or other Award.
Termination without cause	Any Option or other Award that is not vested as of the termination date shall be cancelled. Vested Options or other Awards may be exercised at any time during the period that terminates on the earlier of: (A) the expiry date of such Award; and (B) 90 days after the termination date (or such other period as may be determined by the Board, provided such period is not more than one year following the termination date).
Death	Any Option or other Award that has not vested as of the date of the death of such Participant shall terminate. Vested Options or other Awards may be exercised at any time during the period that terminates on the earlier of: (A) the expiry date of such Award; and (B) the six-month anniversary of the date of the death of the Participant.
Disability	Any Option or other Award that has not vested as of the date of the disability of such Participant shall terminate. Vested Options or other Awards may be exercised at any time during the period that terminates on the earlier of: (A) the expiry date of such Award; and (B) the six-month anniversary of the date of disability of the Participant.

Notwithstanding the foregoing, the Plan Administrator may, in its discretion, permit the acceleration of vesting of any or all Awards or waive termination of any or all Awards, all in the manner and on the terms as may be authorized by the Plan Administrator.

Except as may be set forth in an employment agreement, Award Agreement or other written agreement between the Corporation or a subsidiary of the Company and the Participant or as set out in the Plan, the Plan Administrator may, without the consent of any

Participant, take such steps as it deems necessary or desirable, including to cause:

- (a) the conversion or exchange of any outstanding Awards into or for, rights or other securities of substantially equivalent value, as determined by the Plan Administrator in its discretion, in any entity participating in or resulting from a Change in Control (as defined in the Plan);
- (b) outstanding Awards to vest and become exercisable, realizable or payable, or restrictions applicable to an Award to lapse, in whole or in part prior to or upon consummation of such Change in Control, and, to the extent the Plan Administrator determines, terminate upon or immediately prior to the effectiveness of such Change in Control;
- (c) the termination of an Award in exchange for an amount of cash and/or property, if any, equal to the amount that would have been attained upon the exercise or settlement of such Award or realization of the Participant's rights as of the date of the occurrence of the transaction net of any exercise price payable by the Participant (and, for the avoidance of doubt, if as of the date of the occurrence of the transaction, the Plan Administrator determines, in good faith, that no amount would have been attained upon the exercise or settlement of such Award or realization of the Participant's rights net of any exercise price payable by the Participant, then such Award may be terminated by the Corporation without payment);
- (d) the replacement of such Award with other rights or property selected by the Board in its sole discretion; or
- (e) any combination of the foregoing. In taking any of the foregoing actions, the Plan Administrator will not be required to treat all Awards similarly in the transaction.

Notwithstanding the foregoing, and unless otherwise determined by the Plan Administrator or as set out in the Plan, if, as a result of a Change in Control, the Common Shares will cease trading on a stock exchange, the Corporation may terminate all of the Awards granted under the Plan at the time of and subject to the completion of the Change in Control by paying to each holder an amount for each Award equal to the fair market value of the Award held by such Participant as determined by the Plan Administrator, acting reasonably.

#### *Assignability*

Except as required by law, the rights of a Participant under the Plan are not capable of being assigned, transferred, alienated, sold, encumbered, pledged, mortgaged or charged and are not capable of being subject to attachment or legal process for the payment of any debts or obligations of the Participant.

#### *Amendment, Suspension or Termination of the Plan*

The Plan Administrator may from time to time, without notice and without approval of the Shareholders, amend, modify, change, suspend or terminate the Plan or any Awards granted pursuant thereto as it, in its discretion, determines appropriate, provided, however, that: (a) no such amendment, modification, change, suspension or termination may materially impair any rights of a Participant or materially increase any obligations of a Participant under the Plan without the consent of the Participant, unless the Plan Administrator determines such adjustment is required or desirable in order to comply with any applicable securities laws or Exchange requirements; and (b) any amendment that would cause an Award held by a U.S. taxpayer to be subject to the additional tax penalty under the U.S. tax code will be null and void with respect to the U.S. taxpayer unless his or her consent is obtained.

Without limiting the generality of the foregoing, but subject to the below, the Plan Administrator may, without shareholder approval, at any time or from time to time, amend the Plan for the purposes of making:

- (a) any amendments to the general vesting provisions of each Award;
- (b) any amendment regarding the effect of termination of a participant's employment or engagement;
- (c) any amendments to add covenants of the Company for the protection of Participants, provided that the Plan Administrator must be of the good faith opinion that such additions will not be prejudicial to the rights or interests of the Participants;
- (d) any amendments not inconsistent with the Plan as may be necessary or desirable with respect to matters or questions which, in the good faith opinion of the Plan Administrator, having in mind the best interests of the Participants, it may be expedient to make, including amendments that are desirable as a result of changes in law in any jurisdiction where a Participant resides, provided that the Plan Administrator must be of the opinion that such amendments and modifications will not be prejudicial to the interests of the Participants and non-employee directors; or
- (e) any such changes or corrections which, on the advice of counsel to the Corporation, are required for the purpose of curing or correcting any ambiguity or defect or inconsistent provision or clerical omission or mistake or manifest error, provided that the Plan Administrator must be of the opinion that such changes or corrections will not be prejudicial to the rights and interests of the Participants.

Notwithstanding the foregoing and subject to any rules of the Exchange, shareholder approval will be required for any amendment,

modification or change that:

- (a) increases the percentage of Shares reserved for issuance under the Plan, except pursuant to the provisions in the Plan which permit the Plan Administrator to make equitable adjustments in the event of transactions affecting the Corporation or its capital;
- (b) increases or removes the 10% limits on Shares issuable or issued to Insiders;
- (c) reduces the exercise price of an Award, except pursuant to the provisions in the Plan which permit the Plan Administrator to make equitable adjustments in the event of transactions affecting the Company or its capital;
- (d) extends the term of an Award beyond the original expiry date (except where an expiry date would have fallen within a blackout period applicable to the Participant or within five business days following the expiry of such a blackout period);
- (e) permits an Award to be exercisable beyond 10 years from its date of grant (except where an expiry date would have fallen within a blackout period);
- (f) increases or removes the non-employee director participation limits;
- (g) permits Awards to be transferred to a person;
- (h) changes the eligible participants of the Plan; or
- (i) deletes or reduces the range of amendments which require shareholder approval.

The Board has unanimously approved the Plan and recommends that Shareholders vote **FOR** the resolution regarding the Plan. The resolutions must be approved by a simple majority approval of the votes cast at the meeting by the holders of Shares. If the new Equity Incentive Plan is not approved by the Shareholders, the Company will have to consider other methods of compensating and providing incentives to directors, officers, employees and consultants.

### Exercise of Compensation Securities by Directors and NEOs

No director or NEO exercised any compensation securities, being solely comprised of stock options, during the year ended December 31, 2024.

### Stock Option Plans and Other Incentive Plans

The Board of Directors approved its Option Plan on December 4, 2024. The underlying purpose of the Option Plan is to attract and motivate the directors, Employees and Consultants (as such terms are defined in the Option Plan) of the Company and its subsidiaries to advance the interests of the Company by affording such persons with the opportunity to acquire an equity interest in the Company through rights granted under the Option Plan.

The Option Plan provides that the aggregate number of securities reserved for issuance shall not exceed 10% of the common shares of the Company issued and outstanding at the date of grant of any options. The Option Plan is administered by the Board of Directors, which has full and final authority with respect of the granting of all options thereunder.

Options may be granted under the Option Plan to such service providers of the Company and their affiliates, if any, as the Board of Directors may from time-to-time delegate. The exercise price of option grants will be determined by the Board of Directors, will not be less than the closing market price of the Common Shares on the TSX Venture Exchange less allowable discounts at the time of grant. The Option Plan provides that the number of Common Shares that may be reserved for issuance to any one individual upon exercise of all stock options held by such individual may not exceed 5% of the issued Common Shares. The number of Common Shares issuable at any given time to all technical consultants in aggregate will not exceed two percent (2%) of the issued and outstanding Common Shares of the Company as at the date of grant of any options. All options granted under the Option Plan will expire not later than the date that is ten years from the date that such options are granted. Options terminate earlier as follows: (i) 12 months from the date of termination, other than for cause; or (ii) one year from the date of death. Options granted under the Option Plan are not transferable or assignable other than by will or other testamentary instrument or pursuant to the laws of succession.

The Company previously maintained a legacy Option Plan pursuant to which Options were granted to eligible directors, officers, employees and consultants of the Company.

On January 19, 2026, the board of directors of the Company approved a new equity incentive plan (the “**Equity Incentive Plan**”), which is intended to replace the Option Plan. The adoption of the Equity Incentive Plan is subject to approval by the Company’s shareholders at the Meeting and the Exchange.

Pursuant to the CEO Agreement, the CEO Consultant will receive remuneration in the amount of USD \$150,000 per year (the “**CEO Annual Fee**”) plus out-of-pocket expense, and Mr. Rubacha may choose to receive all or a portion of the CEO Annual Fee in the form of securities of the Company, as permitted by and subject to approval of the TSX Venture Exchange. An annual bonus (“**CEO Bonus**”) may be payable to the CEO Consultant at the discretion of the Board equal to 50%-100% of the CEO Annual Fee and additional bonuses may be awarded as determined by the Board. The CEO Agreement is effective for an indefinite period of time until terminated. The Company may terminate the CEO Agreement for cause at any time and without notice. ## **Oversight and Description of Director and NEO Compensation**

Compensation payable to directors, officers and employees of the Company is currently determined by the Board of Directors. The Board relies on the experience of its members to ensure that total compensation paid to the Company's management is fair and reasonable and is both in-line with the Company's financial resources and competitive with companies at a similar stage of development.

The Company does not have a compensation committee. All tasks related to developing and monitoring the Company's approach to the compensation of executive officers and directors of the Company are performed by members of the Board. The Board meets to discuss and determine management compensation as required, without reference to formal objectives, criteria, or analysis.

During the financial year ended December 31, 2024, cash compensation in the aggregate amount of \$Nil was paid to certain directors of the Company for their services as a director. The compensation of directors is reviewed by the Board and the independent members of the Board, together with a recommendation by the NEO of the Company, approve the annual compensation levels, if any, for the directors. Currently, the Company has no standard arrangement pursuant to which directors are compensated for their services in their capacity as directors.

The Company does not have any arrangements, standard or otherwise, pursuant to which directors are compensated by the Company for their services in their capacity as directors, or for committee participation, involvement in special assignments or for services as consultants or experts. The Board intends to compensate directors primarily through the grant of stock options and reimbursement of expenses incurred by such persons acting as directors of the Company.

### Compensation Philosophy

The Company has taken a forward-looking approach for the compensation of its directors, officers, employees, and consultants to ensure that the Company can continue to build and retain a successful and motivated discovery and development team and, importantly, align the Company's future success with that of the Company's shareholders.

The Company's compensation strategy is to attract and retain talent and experience with focused leadership in the operations, financing and asset management of the Company with the objective of maximizing the value of the Company. The Company compensates its NEOs based on their skill and experience levels and the existing stage of development of the Company. NEOs are rewarded on the basis of the skill and level of responsibility involved in their position, the individual's experience and qualifications, the Company's resources, industry practice, and regulatory guidelines regarding executive compensation levels.

Under the Company's compensation policies and practices, NEOs and directors are not prevented from purchasing financial instruments, including prepaid variable forward contracts, equity swaps, collars or units of exchange funds that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the NEO or director.

The Company has not currently identified specific performance goals or benchmarks as such relate to executive compensation. The stage of the Company's development and the size of its specialized management team allow frequent communication and constant management decisions with the interest of developing shareholder value as a primary goal.

The Board believes that the compensation policies and practices of the Company do not encourage executive officers to take unnecessary or excessive risk; however, the Board intends to review from time to time and, at least once annually, the risks, if any, associated with the Company's compensation policies and practices at such time.

### Compensation Components

The Board has implemented three levels of compensation to align the interests of the NEOs with those of the Company's shareholders. First, NEOs may be paid a monthly salary or consulting fee. Second, the Board may award NEOs long-term incentives in the form of stock options. Finally, and only in special circumstances, the Board may award cash or share bonuses for exceptional performance that results in a significant increase in shareholder value. The Company does not provide medical, dental, pension or other benefits to NEOs. To date, no specific formulas have been developed to assign a specific weighting to each of these components.

### Base Salary

The base compensation of the NEOs is reviewed and set annually by the Board. The salary review for each NEO is based on an assessment of factors, such as:

- current competitive market conditions;
- level of responsibility and importance of the position within the Company; and
- particular skills, such as leadership ability and management effectiveness, experience, responsibility and proven or expected performance of the particular individual.

Using this information, together with budgetary guidelines and other internally generated planning and forecasting tools, the Board intends to perform an annual assessment of all executive officer compensation levels and then set the base salaries or consulting fees of the NEOs, in accordance with such assessment.

#### Annual Incentive Plan

The Company has no formal annual incentive plan.

#### Long-term Compensation

Long-term compensation is paid to NEOs in the form of grants of stock options pursuant to the Option Plan.

#### **Pension Plan Benefits**

The Company has no pension, defined benefit or defined contribution plans in place.

## AUDIT COMMITTEE

### Audit Committee Disclosure

Pursuant to Section 224(1) of the *Business Corporations Act* (Alberta) and National Instrument 52-110 – *Audit Committees* (“NI 52-110”) the Company is required to have an audit committee (the “**Audit Committee**”) comprised of not less than three directors, a majority of whom are not officers, control persons or employees of the Company or an affiliate of the Company. NI 52-110 requires the Company, as a venture issuer, to disclose annually in its Circular certain information concerning the constitution of its audit committee and its relationship with its independent auditor, as set forth below.

The primary function of the Audit Committee is to assist the Board in fulfilling its financial oversight responsibilities by: (i) reviewing the financial reports and other financial information provided by the Company to regulatory authorities and Shareholders; (ii) reviewing the systems for internal corporate controls which have been established by the Board and management; and (iii) overseeing the Company's financial reporting processes generally. In meeting these responsibilities the Audit Committee monitors the financial reporting process and internal control system; reviews and appraises the work of external auditors and provides an avenue of communication between the external auditors, senior management and the Board. The Audit Committee is also mandated to review and approve all material related party transactions.

### Composition of the Audit Committee

The Audit Committee is comprised of the following members: Doron Braun, Efrat Shaprut and Richard Steed. Mr. Steed is not considered to be independent as he is senior officer of the issuer. ### **3.3 Eligibility**

All Employees, Consultants, Directors and Officers are eligible to participate in the Plan, subject to Section 8.1(e). Participation in the Plan is voluntary and eligibility to participate does not confer upon any Employee, Consultant, Director or Officer any right to receive any grant of an Award pursuant to the Plan. The extent to which any Employee, Consultant, Director or Officer is entitled to receive a grant of an Award pursuant to the Plan will be determined in the discretion of the Plan Administrator. The Board shall determine in its sole discretion whether any Person is a bona fide Employee, Consultant, Director or Officer, as applicable.

### **3.4 Plan Administrator Requirements**

Any Award granted under this Plan shall be subject to the requirement that, if at any time the Corporation shall determine that the listing, registration or qualification of the Shares issuable pursuant to such Award upon any securities exchange or under any Securities Laws of any jurisdiction, or the consent or approval of the Exchange and any securities commissions or similar securities regulatory bodies having jurisdiction over the Corporation is necessary as a condition of, or in connection with, the grant or exercise of such Award or the issuance or purchase of Shares thereunder, such Award may not be accepted or exercised, as applicable, in whole or in part unless such listing, registration, qualification, consent or approval shall have been effected or obtained on conditions acceptable to the Plan Administrator. Nothing herein shall be deemed to require the Corporation to apply for or to obtain such listing, registration, qualification, consent or approval. Participants shall, to the extent applicable, cooperate with the Corporation in complying with such legislation, rules, regulations and policies.

### **3.5 Total Shares Subject to Awards**

- (a) The Plan is a “rolling up to 10% and fixed up to 10%” Security Based Compensation Plan, as defined in Policy 4.4 - *Security Based Compensation* of the Exchange. The Plan is a: (a) “rolling” plan pursuant to which the number of Shares that are issuable pursuant to the exercise of Options (including the Predecessor Awards) granted hereunder shall not exceed 10% of the issued and outstanding Shares as at the date of any Option grant; and (b) “fixed” plan under which the number of Shares that are issuable pursuant to all Awards other than Options granted hereunder and under any other Security Based Compensation Arrangement, in aggregate is a maximum of 25,731,845 Shares, in each case, subject to adjustment as provided in Article 10 and any subsequent amendment to this Plan.
- (b) To the extent the Shares are no longer listed on the Exchange, and subject to any additional and

applicable approval by other stock exchange on which the Shares are then listed, the limits set forth in Section 3.5(a) shall no longer be applicable.

- (c) To the extent any Awards (or portion(s) thereof) under this Plan are terminated or are cancelled for any reason prior to exercise in full, any Shares subject to such Awards (or portion(s) thereof) shall be added back to the number of Shares reserved for issuance under this Plan and will again become available for issuance pursuant to the exercise of Awards granted under this Plan. To the extent any Options (or portion(s) thereof) under this Plan are exercised, any Shares subject to such Options (or portion(s) thereof) shall be added back to the number of Shares reserved for issuance under this Plan and will again become available for issuance pursuant to the exercise of Options granted under this Plan.
- (d) Any Shares issued by the Corporation through the assumption or substitution of outstanding stock options or other equity-based awards from an acquired company shall reduce the number of Shares available for issuance pursuant to the exercise of Awards granted under this Plan.

### **3.6 Limits on Grants of Awards**

Notwithstanding anything in this Plan, the aggregate number of Shares issuable at any time under all Security Based Compensation Arrangements:

- (a) awarded in any twelve-month period to any one Consultant shall not exceed 2% of the issued and outstanding Shares (calculated at the time of award);
- (b) awarded in any twelve-month period to any one Participant (other than a Consultant) shall not exceed 5% of the issued and outstanding Shares (calculated at the time of award), unless disinterested shareholder approval has been obtained;
- (c) awarded in any twelve-month period to Persons employed to provide Investor Relations Activities services shall not exceed 2% of the issued and outstanding Shares (calculated at the time of award). For greater certainty, a Person conducting Investor Relations Activities shall only be entitled to receive Options as a form of Award under the Plan;
- (d) awarded to Insiders in aggregate at any time shall not exceed 10% of the issued and outstanding Shares (calculated at the time of award), unless disinterested shareholder approval has been obtained; or
- (e) awarded to Insiders in aggregate in any twelve-month period shall not exceed 10% of the issued and outstanding Shares (calculated at the time of award), unless disinterested shareholder approval has been obtained, provided that the acquisition of Shares by the Corporation for cancellation shall not constitute non-compliance with this Section 3.7 for any Awards outstanding prior to such purchase of Shares for cancellation.

### **3.7 Award Agreements**

Each Award under this Plan will be evidenced by an Award Agreement. Each Award Agreement will be subject to the applicable provisions of this Plan and will contain such provisions as are required by this Plan and any other provisions that the Plan Administrator may direct. Any one officer of the Corporation is authorized and empowered to execute and deliver, for and on behalf of the Corporation, any Award Agreement to a Participant granted an Award pursuant to this Plan.

### **3.8 Non-transferability of Awards**

Except to the extent that certain rights may pass to a beneficiary or legal representative upon the death of a Participant by will or as required by law, no assignment or transfer of Awards, whether voluntary, involuntary, by operation of law or otherwise, vests any interest or right in such Awards or under this Plan whatsoever in any assignee or transferee and immediately upon any assignment or transfer, or any attempt to make the same, such Awards will terminate and be of no further force or effect.

## **ARTICLE 4 OPTIONS**

### **4.1 Granting of Options**

The Plan Administrator may, from time to time, subject to the provisions of this Plan and such other terms and conditions as the Plan Administrator may prescribe, grant Options to any Participant. The terms and conditions of each Option grant shall be evidenced by an Award Agreement.

### **4.2 Exercise Price**

The Plan Administrator will establish the Exercise Price at the time each Option is granted, which Exercise Price must in all

cases be not less than the Market Price on the relevant date.

#### 4.3 Term of Options

Subject to any accelerated termination as set forth in this Plan, each Option expires on its Expiry Date.

#### 4.4 Vesting and Exercisability

- (a) The Plan Administrator shall have the authority to determine the vesting terms applicable to grants of Options.
- (b) Once an instalment becomes vested, it shall remain vested and shall be exercisable until expiration or termination of the Option, unless otherwise specified by the Plan Administrator, or as may be otherwise set forth in any written employment agreement, consulting agreement, Award Agreement or other written agreement between the Corporation or a subsidiary of the Corporation and the Participant. Each vested Option or instalment may be exercised at any time or from time to time, in whole or in part, for up to the total number of Option Shares with respect to which it is then exercisable. The Plan Administrator has the right to accelerate the date upon which any instalment of any Option becomes exercisable.
- (c) Subject to the provisions of this Plan and any Award Agreement, Options shall be exercised by means of a fully completed Exercise Notice delivered to the Corporation.
- (d) The Plan Administrator may provide at the time of granting an Option that the exercise of that Option is subject to restrictions.
- (e) Options issued to any Person retained to provide Investor Relations Activities must vest in stages over a period of not less than 12 months such that: (A) no more than 1/4 of the Options vest no sooner than three months after the Options were granted; (B) no more than another 1/4 of the Options vest no sooner than six months after the Options were granted; (C) no more than another 1/4 of the Options vest no sooner than nine months after the Options were granted; and (D) no more than another 1/4 of the Options vest no sooner than 12 months after the Options were granted.

#### 4.5 Payment of Exercise Price

- (a) Unless otherwise specified by the Plan Administrator at the time of granting an Option and set forth in the particular Award Agreement, the Exercise Notice must be accompanied by payment of the Exercise Price. Except as otherwise provided below, payment of the Exercise Price for the number of Shares being purchased pursuant to any Option shall be made (i) in cash, by cheque or in cash equivalent; (ii) if permitted by the Plan Administrator, applicable law and Exchange policies, by means of a Cashless Exercise (as defined herein), a Net Exercise (as defined herein), or by such other consideration as may be approved by the Plan Administrator from time to time to the extent permitted by applicable law and Exchange policies, or (iii) by any combination thereof. The Plan Administrator may at any time or from time to time grant Options which do not permit all of the foregoing forms of consideration to be used in payment of the Exercise Price or which otherwise restrict one or more forms of consideration.
- (b) Subject to the Corporation having established a program or procedure pursuant to this Section 4.5(b), a Participant or the Personal Representative of the Participant may elect to exercise such Options on a cashless basis (a “**Cashless Exercise**”). A “Cashless Exercise” means the exercise of an Option where the Corporation has an arrangement with a brokerage firm pursuant to which the brokerage firm will loan money to the Participant to purchase the Shares underlying the Option and then the brokerage firm sells a sufficient number of Shares to cover the exercise price of the Option in order to repay the loan made to the Participant and receives an equivalent number of Shares from the exercise of the Options as were sold to cover the loan and the Participant then receives the balance of the Shares or the cash proceeds from the balance of the Shares. Pursuant to a Cashless Exercise, a Participant shall deliver a properly executed Exercise Notice together with irrevocable instructions to a broker providing for assignment to the Corporation of the proceeds of a sale or loan with respect to some or all of the Shares being acquired upon the exercise of the Option. The Corporation reserves the right, in the Corporation’s sole and absolute discretion, to establish, decline to approve or terminate any program or procedures for the exercise of Options by means of a Cashless Exercise, including with respect to one or more Participants specified by the Corporation notwithstanding that such program or procedures may be available to other Participants.
- (c) Other than a Person conducting Investor Relations Activities, a Participant or the Personal Representative of the Participant may elect to exercise an Option without payment of the

aggregate Exercise Price of the Shares to be purchased pursuant to the exercise of the Option (a “**Net Exercise**”) by delivering a Net Exercise Notice to the Plan Administrator. Upon receipt by the Plan Administrator of a Net Exercise Notice from a Participant or Personal Representative of a Participant, the Corporation shall calculate and issue to such Participant or Personal Representative of such Participant that number of Shares as is determined by application of the following formula:

$$X = \lceil Y(A-B) \rceil / A$$

Where:

**X** = the number of Shares to be issued to the Participant upon the Net Exercise

**Y** = the number of Shares underlying the Options being exercised

**A** = the VWAP as at the date of the Net Exercise Notice, if such VWAP is greater than the Exercise Price

**B** = the Exercise Price of the Options being exercised

The Corporation may, but is not obligated to accept, any Net Exercise of which it receives notice. If the Corporation does accept such Net Exercise, no fractional Shares will be issued to any Participant or the Personal Representative of the Participant electing a Net Exercise. If the number of Shares to be issued to the Participant in the event of a Net Exercise would otherwise include a fraction of a Share, the Corporation will pay a cash amount to such Participant equal to (i) the fraction of a Share otherwise issuable multiplied by (ii) the value attributed to “A” in the formula set out above.

- (d) Unless otherwise required by applicable laws, or as determined in the discretion of the Board or the Plan Administrator, the Exercise Price for Options shall be designated in Canadian dollars. A foreign Participant may be required to provide evidence that any currency used to pay the Exercise Price of any Option was acquired and taken out of the jurisdiction in which the Participant resides in accordance with applicable laws, including foreign exchange control laws and regulations. In the event the Exercise Price for an Option is paid in another foreign currency, if permitted by the Plan Administrator, the amount payable will be determined by conversion from Canadian dollars at the exchange rate as selected by the Plan Administrator on the date of exercise. For Participants subject to United States income tax, such conversion shall be determined in a manner which does not result in any adverse tax consequences to the Participant pursuant to Section 409A of the Code.

## ARTICLE 5 RESTRICTED SHARE UNITS

### 5.1 Granting of RSUs

- (a) The Plan Administrator may, from time to time, subject to the provisions of this Plan and such other terms and conditions as the Plan Administrator may prescribe, grant RSUs to any Participant in respect of services rendered in the year of grant. The terms and conditions of each RSU grant shall be evidenced by an Award Agreement.
- (b) The number of RSUs (including fractional RSUs) granted at any particular time pursuant to this Article 5 will be calculated by dividing (i) the amount of any compensation that is to be paid in RSUs, as determined by the Plan Administrator, by (ii) the Market Price of a Share on the relevant date.

### 5.2 RSU Account

All RSUs received by a Participant shall be credited to an account maintained for the Participant on the books of the Corporation, as of the Award Date.

### 5.3 Vesting of RSUs

Except as provided in Section 9.2, no RSUs issued to a Participant may vest before the date that is one year following the date they are granted.

### 5.4 Settlement of RSUs

- 5.4.1 The Plan Administrator shall have the sole authority to determine the settlement terms applicable to the grant of RSUs. Subject to Section 10.4 below and except as otherwise provided in an Award Agreement, on the settlement date for any RSU, the Participant shall redeem each vested RSU for:

- 5.4.1.1 one fully paid and non-assessable Share issued from treasury to the Participant or as the Participant may direct, or
- 5.4.1.2 a cash payment, or
- 5.4.1.3 a combination of Shares and cash as contemplated by paragraphs (i) and (ii) above, in each case as determined by the Plan Administrator in its sole discretion.

5.4.2 Any cash payments made under this Section 5.4 by the Corporation to a Participant in respect of RSUs to be redeemed for cash shall be calculated by multiplying the number of RSUs to be redeemed for cash by the Market Price per Share as at the settlement date.

5.4.3 Payment of cash to Participants on the redemption of vested RSUs may be made through the Corporation's payroll in the pay period that the settlement date falls within.

5.4.4 Subject to Section 10.4 below and except as otherwise provided in an Award Agreement, no settlement date for any RSU shall occur, and no Share shall be issued or cash payment shall be made in respect of any RSU, under this Section 5.4 any later than the final Business Day of the third calendar year following the year in which the RSU is granted.

## ARTICLE 6 OTHER SHARE-BASED AWARDS

The Plan Administrator may, from time to time, subject to the provisions of this Plan and such other terms and conditions as the Plan Administrator may prescribe, grant Other Share-Based Awards to any Participant, which shall be subject to the prior approval of the Exchange. The terms and conditions of each Other Share-Based Award grant shall be evidenced by an Award Agreement. Each Other Share-Based Award shall consist of a right (1) which is other than an Award or right described in Article 4, Article 5, Article 6, and (2) which is denominated or payable in, valued in whole or in part by reference to, or otherwise based on or related to, Shares (including, without limitation, securities convertible into Shares) as are deemed by the Plan Administrator to be consistent with the purposes of the Plan; provided, however, that such right will comply with applicable law. Subject to the terms of the Plan and any applicable Award Agreement, the Plan Administrator will determine the terms and conditions of Other Share-Based Awards. Shares or other securities delivered pursuant to a purchase right granted under this Article 6 will be purchased for such consideration, which may be paid by such method or methods and in such form or forms, including, without limitation, cash, Shares, other securities, other Awards, other property, or any combination thereof, as the Plan Administrator shall determine in its discretion.

## ARTICLE 7 ADDITIONAL AWARD TERMS

### 7.1 Dividend Equivalents

- (a) Unless otherwise determined by the Plan Administrator and set forth in the particular Award Agreement, as part of a Participant's grant of RSUs (as applicable) and in respect of the services provided by the Participant for such original grant, and RSUs (as applicable) shall be credited with dividend equivalents in the form of additional RSUs, as of each dividend payment date in respect of which normal cash dividends are paid on Shares. Such dividend equivalents shall be computed by dividing: (i) the amount obtained by multiplying the amount of the dividend declared and paid per Share by the number of RSUs, as applicable, held by the Participant on the record date for the payment of such dividend, by (ii) the Market Price at the close of the first business day immediately following the dividend record date, with fractions computed to three decimal places. Dividend equivalents credited to a Participant's account shall vest in proportion to the RSUs, to which they relate, and shall be settled in accordance with Section 5.4.
- (b) The number of additional RSUs issued in lieu of dividends must be included in the limits set out in Section 3.5 and 3.6 of this Plan
- (c) The foregoing does not obligate the Corporation to declare or pay dividends on Shares and nothing in this Plan shall be interpreted as creating such an obligation.

### 7.2 Blackout Period

In the event that the Award Date occurs, or an Award expires, during a Black-Out Period, the effective Award Date for such Award, or expiry of such Award, as the case may be, will be no later than 10 business days after the last day of the Black-Out Period, and the Market Price with respect to the grant of such Award shall be calculated based on the VWAP of the five business days after the last day of the Black-Out Period. For the purposes hereof, a "Black-Out Period" means that period during which a trading black-out period is imposed by the Corporation to restrict trades in the Corporation's securities by a Participant.

### 7.3 Withholding Taxes

Notwithstanding any other terms of this Plan, the granting, vesting or settlement of each Award under this Plan is subject to the condition that if at any time the Plan Administrator determines, in its discretion, that the satisfaction of withholding tax or other withholding liabilities is necessary or desirable in respect of such grant, vesting or settlement, such action is not effective unless such withholding has been effected to the satisfaction of the Plan Administrator. In such circumstances, the Plan Administrator may require that a Participant pay to the Corporation the minimum amount as the Corporation or an Affiliate of the Corporation is obliged to withhold or remit to the relevant taxing authority in respect of the granting, vesting or settlement of the Award. Any such additional payment is due no later than the date on which such amount with respect to the Award is required to be remitted to the relevant tax authority by the Corporation or an Affiliate of the Corporation, as the case may be. Alternatively, and subject to any requirements or limitations under applicable law, the Corporation may (a) withhold such amount from any remuneration or other amount payable by the Corporation or any Affiliate to the Participant, (b) require the sale of a number of Shares issued upon exercise, vesting, or settlement of such Award and the remittance to the Corporation of the net proceeds from such sale sufficient to satisfy such amount, or (c) enter into any other suitable arrangements for the receipt of such amount.

### 7.4 Recoupment

Notwithstanding any other terms of this Plan, Awards may be subject to potential cancellation, recoupment, rescission, payback or other action in accordance with the terms of any clawback, recoupment or similar policy adopted by the Corporation or the relevant subsidiary of the Corporation and in effect at the Award Date of the Award, or as set out in the Participant's employment agreement, Award Agreement or other written agreement, or as otherwise required by law or the rules of the Exchange. The Plan Administrator may at any time waive the application of this Section 7.4 to any Participant or category of Participants.

## ARTICLE 8 TERMINATION OF EMPLOYMENT OR SERVICES

### 8.1 Termination of Employees, Consultants, Directors and Officers

Unless otherwise determined by the Plan Administrator or as set forth in an employment agreement, consulting agreement, Award Agreement or other written agreement (but in no event shall Options or Awards exceed one year following the Termination Date, death, or Disability of a Participant):

- (a) where a Participant's employment agreement, consulting agreement or arrangement is terminated, or the Participant ceases to hold the office of his or her position, as applicable, by reason of voluntary resignation by the Participant or termination by the Corporation or a subsidiary of the Corporation for Cause, then any Option or other Award held by the Participant that has not been exercised as of the Termination Date shall be immediately forfeited and cancelled as of the Termination Date;
- (b) where a Participant's employment agreement, consulting agreement or other position is terminated, or the Participant ceases to hold the office of his or her position, as applicable, by the Corporation or a subsidiary of the Corporation without Cause (whether such termination occurs with or without any or adequate reasonable notice, or with or without any or adequate compensation in lieu of such reasonable notice) then all unvested Options or other Awards shall terminate, and all vested Options or other Awards may be exercised or surrendered to the Corporation by the Participant at any time during the period that terminates on the earlier of: (A) the Expiry Date of such Award; and (B) the date that is 90 days after the Termination Date (or such other period as may be determined by the Board, provided such period is not more than one year following the Termination Date). Any Option or other Award that remains unexercised or has not been surrendered to the Corporation by the Participant shall be immediately forfeited upon the termination of such period;
- (c) where a Participant becomes Disabled, then any Option or other Award held by the Participant that has not vested as of the date of Disability of such Participant shall terminate, and all Options or other Awards that are vested as of the date of Disability may be exercised or surrendered to the Corporation by the Participant at any time during the period that terminates on the earlier of: (A) the Expiry Date of such Award; and (B) the date that is six (6) months after the date of Disability. Any Option or other Award that remains unexercised or has not been surrendered to the Corporation by the Participant shall be immediately forfeited upon the termination of such period;

(A) the Expiry Date of such Award; and (B) the six (6) month anniversary of the date of the death of such Participant. Any Option or other Award that remains unexercised or has not been surrendered to the Corporation by the Participant shall be immediately forfeited upon the termination of such period;

(e) a Participant's eligibility to receive further grants of Options or other Awards under this Plan ceases as of:

- (i) the date that the Corporation or a subsidiary of the Corporation, as the case may be, provides the Participant with written notification that the Participant's employment, consulting agreement or arrangement is terminated, notwithstanding that such date may be prior to the Termination Date; or
- (ii) the date of the death, or Disability of the Participant; and notwithstanding Section 8.1(b), unless the Plan Administrator, in its discretion, otherwise determines, at any time and from time to time, Options or other Awards are not affected by a change of employment or consulting agreement or arrangement, or directorship within or among the Corporation or a subsidiary of the Corporation for so long as the Participant continues to be a Director, Employee or Consultant, as applicable, of the Corporation or a subsidiary of the Corporation.

## **8.2 Discretion to Permit Acceleration**

8.2.1 Notwithstanding the provisions of Section 8.1, the Plan Administrator may, in its discretion, at any time prior to, or following the events contemplated in such Section, or in an employment agreement, consulting agreement, Award Agreement or other written agreement between the Corporation or a subsidiary of the Corporation and the Participant, permit the acceleration of vesting of any or all Awards or waive termination of any or all Awards, all in the manner and on the terms as may be authorized by the Plan Administrator; provided that Awards may not be accelerated earlier than one year from the Award Date.

8.2.2 Notwithstanding the provisions of Section 8.2.1, the Plan Administrator may not permit the acceleration of vesting of any Options granted to any Persons employed to provide Investor Relations Activities without the prior written approval of the Exchange.

## **8.3 Participants' Entitlement**

Except as otherwise provided in this Plan, Awards previously granted under this Plan are not affected by any change in the relationship between, or ownership of, the Corporation and an Affiliate of the Corporation. For greater certainty, all grants of Awards remain outstanding and are not affected by reason only that, at any time, an Affiliate of the Corporation ceases to be an Affiliate of the Corporation.

# **ARTICLE 9**

## **EVENTS AFFECTING THE CORPORATION**

### **9.1 General**

The existence of any Awards does not affect in any way the right or power of the Corporation or its shareholders to make, authorize or determine any adjustment, recapitalization, reorganization or any other change in the Corporation's capital structure or its business, or any amalgamation, combination, arrangement, merger or consolidation involving the Corporation, to create or issue any bonds, debentures, Shares or other securities of the Corporation or to determine the rights and conditions attaching thereto, to effect the dissolution or liquidation of the Corporation or any sale or transfer of all or any part of its assets or business, or to effect any other corporate act or proceeding, whether of a similar character or otherwise, whether or not any such action referred to in this Article 9 would have an adverse effect on this Plan or on any Award granted hereunder.

### **9.2 Change in Control**

Except as may be set forth in an employment agreement, consulting agreement, Award Agreement or other written agreement between the Corporation or a subsidiary of the Corporation and the Participant:

9.2.1 The Plan Administrator may, without the consent of any Participant, take such steps as it deems necessary or desirable, including to cause (i) the conversion or exchange of any outstanding Awards into or for, rights or other securities of substantially equivalent value, as determined by the Plan Administrator in its discretion, in any entity participating in or resulting from a Change in Control; (ii) outstanding Awards to vest and become exercisable, realizable, or payable, or restrictions applicable to an Award to lapse, in whole or in part prior to or upon consummation of such Change in Control, and, to the extent the Plan Administrator determines, terminate upon or immediately prior to the effectiveness of such Change in Control; (iii) the termination of an Award in exchange

for an amount of cash and/or property, if any, equal to the amount that would have been attained upon the exercise or settlement of such Award or realization of the Participant's rights as of the date of the occurrence of the transaction net of any exercise price payable by the Participant (and, for the avoidance of doubt, if as of the date of the occurrence of the transaction the Plan Administrator determines in good faith that no amount would have been attained upon the exercise or settlement of such Award or realization of the Participant's rights net of any exercise price payable by the Participant, then such Award may be terminated by the Corporation without payment); (iv) the replacement of such Award with other rights or property selected by the Board in its sole discretion; or (v) any combination of the foregoing. In taking any of the actions permitted under this Section 9.2.1, the Plan Administrator will not be required to treat all Awards similarly in the transaction. Notwithstanding the foregoing, in the case of Options held by a Canadian Taxpayer, the Plan Administrator may not cause the Canadian Taxpayer to receive (pursuant to this Section 9.2.1 any property in connection with a Change of Control other than rights to acquire shares of a corporation or units of a "mutual fund trust" (as defined in the Tax Act), of the Corporation or a "qualifying person" (as defined in the Tax Act) that does not deal at arm's length (for purposes of the Tax Act) with the Corporation, as applicable, at the time such rights are issued or granted.

9.2.2 Notwithstanding Section 9.2.1, and unless otherwise determined by the Plan Administrator, if, as a result of a Change in Control, the Shares will cease trading on an Exchange, then the Corporation may terminate all of the Awards granted under this Plan (other than Options held by Canadian Taxpayers) at the time of and subject to the completion of the Change in Control transaction by paying to each holder at or within a reasonable period of time following completion of such Change in Control transaction an amount for each Award equal to the fair market value of the Award held by such Participant as determined by the Plan Administrator, acting reasonably, or in the case of Options held by a Canadian Taxpayer by permitting the Canadian Taxpayer to surrender such Options to the Corporation for an amount for each such Option equal to the fair market value of such Option as determined by the Plan Administrator, acting reasonably, upon the completion of the Change in Control (following which such Options may be cancelled for no consideration).

### **9.3 Reorganization of Corporation's Capital**

Should the Corporation effect a subdivision or consolidation of Shares or any similar capital reorganization or a payment of a stock dividend (other than a stock dividend that is in lieu of a cash dividend), or should any other change be made in the capitalization of the Corporation that does not constitute a Change in Control and that would warrant the amendment or replacement of any existing Awards in order to adjust the number of Shares that may be acquired on the vesting of outstanding Awards and/or the terms of any Award in order to preserve proportionately the rights and obligations of the Participants holding such Awards, the Plan Administrator will, subject to the prior approval of the Exchange, authorize such steps to be taken as it may consider to be equitable and appropriate to that end.

### **9.4 Other Events Affecting the Corporation**

In the event of an amalgamation, combination, arrangement, merger or other transaction or reorganization involving the Corporation and occurring by exchange of Shares, by sale or lease of assets or otherwise, that does not constitute a Change in Control and that warrants the amendment or replacement of any existing Awards in order to adjust the number of Shares that may be acquired on the vesting of outstanding Awards and/or the terms of any Award in order to preserve proportionately the rights and obligations of the Participants holding such Awards, the Plan Administrator will, subject to the prior approval of the Exchange (if required), authorize such steps to be taken as it may consider to be equitable and appropriate to that end.

### **9.5 Immediate Acceleration of Awards**

In taking any of the steps provided in Sections 9.3 and 9.4, the Plan Administrator will not be required to treat all Awards similarly and where the Plan Administrator determines that the steps provided in Sections 9.3 and 9.4 would not preserve proportionately the rights, value and obligations of the Participants holding such Awards in the circumstances or otherwise determines that it is appropriate, the Plan Administrator may, but is not required, to permit the immediate vesting of any unvested Awards.

### **9.6 Issue by Corporation of Additional Shares**

Except as expressly provided in this Article 9, neither the issue by the Corporation of shares of any class or securities convertible into or exchangeable for shares of any class, nor the conversion or exchange of such shares or securities, affects, and no adjustment by reason thereof is to be made with respect to the number of Shares that may be acquired as a result of a grant of Awards or other entitlements of the Participants under such Awards.

### **9.7 Fractions**

No fractional Shares will be issued pursuant to an Award. Accordingly, (whether as a result of any adjustment under this Article 9, a dividend equivalent or otherwise), a Participant would become entitled to a fractional Share, the Participant has the right to acquire only the adjusted number of full Shares and no payment or other adjustment will be made with respect to the fractional Shares, which shall be disregarded.

**ARTICLE 10**  
**AMENDMENT, SUSPENSION OR TERMINATION OF THE PLAN**

**10.1 Amendment, Suspension, or Termination of the Plan**

The Plan Administrator may from time to time, without notice and without approval of the holders of voting shares of the Corporation, amend, modify, change, suspend or terminate the Plan or any Awards granted pursuant to the Plan as it, in its discretion, determines appropriate, provided, however, that no such amendment, modification, change, suspension or termination of the Plan or any Awards granted hereunder may materially impair any rights of a Participant or materially increase any obligations of a Participant under the Plan without the consent of the Participant, unless the Plan Administrator determines such adjustment is required or desirable in order to comply with any applicable Securities Laws or Exchange requirements.

**10.2 Shareholder Approval**

The Corporation shall seek annual Exchange and shareholder approval for this Plan, in conformity with the Policies of the Exchange.

Notwithstanding Section 10.1 and subject to any rules of the Exchange, approval of the holders of the Shares shall be required for any amendment, modification or change that:

- 10.2.2 increases or removes the limit on the number of Shares issuable or issued to Insiders as set forth in Section 3.6(d) and Section 3.6(e);
- 10.2.3 reduces the exercise price of an Award (for this purpose, a cancellation or termination of an Award of a Participant prior to its Expiry Date for the purpose of reissuing an Award to the same Participant with a lower exercise price shall be treated as an amendment to reduce the exercise price of an Award) except pursuant to the provisions in the Plan which permit the Plan Administrator to make equitable adjustments in the event of transactions affecting the Corporation or its capital;
- 10.2.4 extends the term of an Award beyond the original Expiry Date (except where an Expiry Date would have fallen within a blackout period applicable to the Participant or within five business days following the expiry of such a blackout period);
- 10.2.5 permits an Award to be exercisable beyond 10 years from its Award Date (except where an Expiry Date would have fallen within a blackout period of the Corporation);
- 10.2.6 increases or removes the limits on the participation of Directors or Officers;
- 10.2.7 permits Awards to be transferred to a Person;
- 10.2.8 changes the eligible participants of the Plan; or
- 10.2.9 deletes or reduces the range of amendments which require approval of shareholders under this Section 10.2.

**10.3 Disinterested Shareholder Approval**

Disinterested shareholder approval will be obtained:

- 10.3.1 for any reduction in the Exercise Price or extension of the term of an Option if the Participant is an Insider of the Corporation at the time of the proposed amendment; and
- 10.3.2 for any changes to the aggregate number of Shares reserved for issuance pursuant to all Awards, other than Options, granted under the Plan, together with any other Security Based Compensation Arrangement, as set out in Section 3.5(a).

Disinterested shareholder approval will also be required as specified in the Plan.

**10.4 Permitted Amendments**

Without limiting the generality of Section 10.1, but subject to Section 10.2, the Plan Administrator may, without shareholder approval, at any time or from time to time, amend the Plan for the purposes of:

- 10.4.1 making any amendments to the general vesting provisions of each Award;
- 10.4.2 making any amendments to the provisions set out in Article 8;
- 10.4.3 making any amendments to add covenants of the Corporation for the protection of Participants, as the case may be, provided that the Plan Administrator shall be of the good faith opinion that such additions will not be prejudicial to the rights or interests of the Participants, as the case may be;
- 10.4.4 making any amendments not inconsistent with the Plan as may be necessary or desirable with respect to matters or questions which, in the good faith opinion of the Plan Administrator, having in mind the best interests of the Participants, it may be expedient to make, including amendments that are desirable as a result of changes in law in any jurisdiction where a Participant resides, provided that the Plan Administrator shall be of the opinion that such amendments and modifications will not be prejudicial to the interests of the Participants; or
- 10.4.5 making such changes or corrections which, on the advice of counsel to the Corporation, are required for the purpose of curing or correcting any ambiguity or defect or inconsistent provision or clerical omission or mistake or manifest error, provided that the Plan Administrator shall be of the opinion that such changes or corrections will not be prejudicial to the rights and interests of the Participants.

## **ARTICLE 11** **MISCELLANEOUS**

### **11.1 Legal Requirement**

The Corporation is not obligated to grant any Awards, issue any Shares or other securities, make any payments or take any other action if, in the opinion of the Plan Administrator, in its discretion, such action would constitute a violation by a Participant or the Corporation of any provision of any applicable statutory or regulatory enactment of any government or government agency or the requirements of any Exchange upon which the Shares may then be listed.

### **11.2 No Other Benefit**

No amount will be paid to, or in respect of, a Participant under the Plan to compensate for a downward fluctuation in the price of a Share, nor will any other form of benefit be conferred upon, or in respect of, a Participant for such purpose.

### **11.3 Rights of Participant**

No Participant has any claim or right to be granted an Award and the granting of any Award is not to be construed as giving a Participant a right to remain as an Employee, Consultant, Director or Officer. No Participant has any rights as a shareholder of the Corporation in respect of Shares issuable pursuant to any Award until the allotment and issuance to such Participant, or as such Participant may direct, of certificates representing such Shares.

### **11.4 Corporate Action**

Nothing contained in this Plan or in an Award shall be construed so as to prevent the Corporation from taking corporate action which is deemed by the Corporation to be appropriate or in its best interest, whether or not such action would have an adverse effect on this Plan or any Award.

### **11.5 Conflict**

In the event of any conflict between the provisions of this Plan and an Award Agreement, the provisions of the Plan shall govern. In the event of any conflict between or among the provisions of this Plan, on the one hand, and a Participant's employment agreement or consulting agreement with the Corporation or a subsidiary of the Corporation, as the case may be, on the other hand, the provisions of the Plan shall prevail.

### **11.6 Anti-Hedging Policy**

### **11.7 Participant Information**

Each Participant shall provide the Corporation with all information (including personal information) required by the Corporation in order to administer the Plan. Each Participant acknowledges that information required by the Corporation in order to administer the Plan may be disclosed to any custodian appointed in respect of the Plan and other third parties, and may be disclosed to such persons (including persons located in jurisdictions other than the Participant's jurisdiction of residence), in connection with the

administration of the Plan. Each Participant consents to such disclosure and authorizes the Corporation to make such disclosure on the Participant's behalf.

#### **11.8 Participation in the Plan**

The participation of any Participant in the Plan is entirely voluntary and not obligatory and shall not be interpreted as conferring upon such Participant any rights or privileges other than those rights and privileges expressly provided in the Plan. In particular, participation in the Plan does not constitute a condition of employment or engagement nor a commitment on the part of the Corporation to ensure the continued employment or engagement of such Participant. The Plan does not provide any guarantee against any loss which may result from fluctuations in the market value of the Shares. The Corporation does not assume responsibility for the income or other tax consequences for the Participants and they are advised to consult with their own tax advisors.

#### **11.9 International Participants**

With respect to Participants who reside or work outside Canada, the Plan Administrator may, in its discretion, amend, or otherwise modify, without shareholder approval, the terms of the Plan or Awards with respect to such Participants in order to conform such terms with the provisions of local law, and the Plan Administrator may, where appropriate, establish one or more sub-plans to reflect such amended or otherwise modified provisions.

**CORPORATE GOVERNANCE DISCLOSURE (FORM 58-101F2)**

**CORPORATE GOVERNANCE POLICY**

**1. Board of Directors** — Disclose how the board of directors (the "Board") facilitates its exercise of independent supervision over management, including

(i) the identity of directors that are independent, and

*Doron Braun and Efrat Shaprut.*
